logo	
website	
4. Designing mobile application interface.	
Front-end Development	
5. CSS / HTML Slicing for all pages (Bootstrap – CSS3)	2200 USD
6. Javascript Interactivity for Menus and Sliders	
Domain & Hosting with security and other resources For the first year including Maintenance	800 USD
Total:	4500 USD

Total amount to be paid is **4500 US**.

We bill 30/30/30/10

Payment schedule is tied to the project's milestones:

- 30% deposit upon contract acceptance.
- 30% on approval of final design.
- 30% on approval of website and Mobile App functionality.
- 10% balance due when site goes live.

By the time the site is delivered, we've already received 90% of the project fees. We've both mitigated our risk, and attached our payments to our performance. It's everyone's best interest to work this way.

This amount should be transferred to following bank coordinates:
